**School plans...**

(Cont. from Page 1-A)

At this time, the school board could be considering plans for reducing the coverage treatment plant at Gulfview and the epidemic at Pearlman.

Average daily attendance figures from the state of 109 pupils now at Gulfview do not warrant planning for savings from 630 pupils in the future, Dean continued. He noted that construction plans are leaving and predicted that future growth will be from outside persons and some permanent NASA employees, but few children.

As to financing Dean suggested securing a position from the voters to have the Logans School settlement money, now committed for the school bond sinking fund, released so it could go toward construction of the school. School authorities should make every effort to get final settlement on the property acquired for NASA, he added, while the project are being redeveloped.

R.G. Hubbard, president of the board of supervisors, recalled he'd voted against the \$350,000 loan when it was requested because some \$160,000 anticipated from NASA on Logans School was not included in it. He suggested the school board come in "with a clean slate and say how much the bond issue is going to cost."

The school board went into executive session for about an hour and a half before the supervisors joined them for the conference.

Afterwards trustees adopted a resolution ratifying action of Superintendent Robert F. Lechner in paying \$9,260 to Hoogland Ford Sales in using 16th Section funds to buy school bus chassis. Lechner also asked the board to transfer about \$20,000 from the \$43,000 16th Section all and mineral lease recently signed with Humble Oil Co. to pay bills which have accumulated over the last three or four months. Of the total, \$7,412 is for two months tuition to the Boy school system.

On the question of civil rights compliance it was agreed the working should read that persons of pupils in grades one through three and nine through 12 register their choice of school for the 1965-66 session in the first instance, to be followed by a complete option in succeeding years.

The board also heard from Paul Miller, representing a Gulfport firm, and Fred Sutton of Sunset Wall Works, on possibilities for a new wall at Pearlman and alterations to the existing one at Gulfview. One bid received was held unopened until specifications can be reviewed.

Waveland's gas lines curving Terrace Avenue and along the route to Town on Bayou Lechre and Jordan River also were damaged.

The mayor also proposed to the aldermen that town funds be used to clear the piling and other storm debris in the vicinity of the Coleman Avenue bridge so that citizens will not prevent when they are asked to clear their own pile piling. "And it would look a lot better," the mayor declared.

While Alderman Damich, Senior questioned expense of removing the piling if the pier is to be rebuilt, two of his colleagues—John Longo and Albert Grasso—indicated more interest in a rock piling, so Waveland might have a boat launching area.

**Two good ways to make someone happy at Christmas:**

One sure way is with a lovely gas yard light. It's one of those perfect gifts: pretty and practical at the same time. There are many styles; each stands ready to guard the yard with a soft, gentle glow. A new way to please someone special is an outdoor gas grill. This is the way to enjoy real "charcoal" cookouts with none of the bother. No waiting for the coals to get "just right," no messy clean-up. No cooking problems, either; you control the heat on a gas grill just as you do in the kitchen. Get them both at United Gas—right away.

## to visit Mexico

**MEXICO BOUND** - Members of Sealer Girl Scout Troop 1, discuss final plans relating to their trip to Mexico. Group 1, which will return in two weeks, while at International Girl Scout Camp, will trade souvenirs with scouts from other countries. Mrs. Joan Wood is leader accompanying troop, assisted by Mrs. Bill Whitfield. Clockwise the international travellers are Judy Lauderdale, Sherry Wood, Becky Adams, Kathleen Maloney, Julie Dalg, Ann Morelan, Becky Prevou, Mrs. Wood, Fabby diBenedetto, Jill Easton, Mrs. Whitfield, Susan Hammer, Mary Legarda, Doris Wood and Susan Clark.

## International Cabana to host local troop

Thirteen girls and two leaders from Bay St. Louis Sealer Girl Scout Troop No. 1, left yesterday on the first leg of a 10-day tour in Mexico.

Leaving from New Orleans via Eastern Air Lines the girls will tour Mexico City today departing there at 2 p.m. for the International Girl Scout Cabana at Cuernavaca.

After a week's stay at this location the Troop delegation will leave for Acapulco, a guided tour of this area will occupy their attention until they leave once again for Mexico City and return home on Dec. 18.

Leading the group is Mrs. Jean Wood, assisted by Mrs. W.B. Whitfield, and reporting present and correct were Judy Lauderdale, Sherry Wood, Becky Adams, Kathleen Maloney, Julie Dalg, Ann Morelan, Becky Prevou, Fabby diBenedetto, Jill Easton, Susan Hammer, Mary Legarda, Dottie Wood and Susan Clark.

To raise funds for the ad-

venture that will permit the girls to study the customs of folk from other countries, investigate ruins of buildings left by ancient civilizations, as well as modern Mexico, and meet other overseas girl scouts they held cake and rummage sales, picked pecans, and organized a movie benefit and a cookie sale.

Prior to departure, Mrs. Wood, speaking on behalf of the entire group, passed out the following citations and thank-yous, to Jack Baum, of Jinty-Jungle, for allowing the cake sale and for many favors; to John Rutherford and Bill Whitfield, the chefs at the fried chicken feast; Joe Scalfidi, for

his assistance of the movie benefit; Hancock Bank, for the tickets; Hancock Travel Agency, who saved the day and again to Bryan Reed of the agency for his help in co-ordi-

nating the trip and arranging the tours. Lastly Mrs. Wood asked to say a big thank-you to the principals of Bay High School and St. Joseph Academy for their help and co-operation.

# On 16th Section

## Forestry lease approved by board

A 25-year lease to the Mississippi Forestry Commission on two acres of 16th Section land at Natchez Landing was approved by the board of supervisors Monday. It will have the 100-foot fire tower which had been on a tract at Salliers since 1961 but had to be moved when that land was not returned by the property owner.

Marion Parker of the county forestry office said it will take about three weeks to rebuild the tower. The structure has been down since Nov. 1 and Parker said there were a number of fires over the weekend which might have been curbed had it been in use.

Social Security Administration was granted use of space in the Agricultural Center on the first and third Thursdays of each month as it moves from the Bay St. Louis Youth Center. These quarters now will be used by the city school system.

Waynes Scott, director of the Gulfport SS office, said the new schedule will start Dec. 16. At present there are about 1,700 social security beneficiaries in the county receiving some \$202,000 in monthly payments.

Supervisors voted a \$300 contribution to the Hancock County United Fund, to be paid through the Chamber of Commerce, and \$100 for Bay St. Louis Christmas lighting which also will go through the chamber.

Low bid was accepted from Pearson Motors of Piquette for \$3,439 on two six-cylinder pick-up trucks for Bots 2 and 3. Others bidding were Hoagland Ford and W.A. McDonald. Fred Lohrer, Jr., was the low and successful bidder to purchase a chain saw for Boat 5 at \$269.75.

Bids also were opened on a supplemental equipment list for the newly completed 24-bed addition at Hancock General Hospital and other tabulation by Thomas O. Logue, administrator, those of McNease Medical Supply, Bedsole Surgical Supply and Scientific Products being accepted. He was authorized to purchase without bids a Coleman flame photometer at \$982.50 because it is a specialized piece of equipment.

During calling of the monthly claim checks the board voided bills from Primrose Oil Co.

**NATIONAL GUARD**  
Local detachments of National Guard personnel have not been included in the current re-organization of certain units into a Selective Reserve Force, according to a Mississippi Military Dept. release.

**RECORD MAILING** - Postmaster Andy Becker, left, looks over one of largest single first class mailings ever handled by local postoffice when Coast Electric Power Assn. mailed checks totaling over \$92,000 to 3,500 persons and former member-owners, R. Martin Smith, CRPA manager, who accompanied mailing to postoffice, cited sum was third such return of capital for Bay St. Louis based co-operative. "This far, Smith said, "Over \$145,000 has been returned to Coast Electric members."

City of the development with town ordinance. Question had been raised earlier about moving three houses on the land without the required building permits. Charles Dickson of the zoning board and Donald Landry, building inspector, said they would take a later application for a permit to remodel before the zoning body.

Held for study by the town attorney, L.M. Cox, Jr., was a request from R.M. Revley to close the 120-foot dead-end Lakeland Drive because he wants to buy the remaining house on the street that he doesn't own now.

On a complaint that Duro Bourgeois is operating a fish market 100 feet from the beach where commercial establishments are not permitted, ordinance man noted he had been there for 40 years and came under the "grandfather" clause on non-conforming use of the zoning ordinance.

Aldermen shook their heads and finally accepted their attorney's advice to notify W.L. Lawrence, newspaper route man, that the town has no liability for damage to his automobile.

### Card of Thanks

Thanks are extended to Doctors Levens, McFarland, and Dodson; to Dr. Paul S. Derian, Chief of Orthopedic Surgery at the University Hospital in Jackson, Miss., and to his residents, Drs. Cook, Purser, and Davis, for the kindness and help given to my daughter, Mary "Sandy" Green, during the last four months. Thanks also to August and Myrtle Lader; Jimmy and Barbara Lader; of Ansel, for helping me financially and extending the hand of friendship during those hard months. Thanks to all who attended the recent Turkey Shoot and special thanks to August Lader and Lawrence Carco for the time and effort they put in to make the benefit a success. MRS. NINA S. FOR TOTAL ENJOYMENT, GO TOTAL ELECTRIC

"We live electrically for only 76¢ a day,"

say the John Guthries

Wiggins

Mr. and Mrs. Guthrie with their daughter, Susan, and their three sons, Johnny, Jimmy and Randall, proudly pose in front of their 1,750 square-foot Gold Medal home.

One of the most popular early in the Guthrie home is their family room where the family enjoys a meal prepared in their electric kitchen.

**FORTY ELECTRIC APPLIANCES** are used in the John G. Guthrie home in Wiggins. One of these is a three-ton electric heat pump, which cools and heats the four-bedroom, 1,750 square-foot home year 'round. With all these electric servants, the Guthries' monthly bill averages only \$22.70. One reason for this is that the Guthries designed their home with adequate insulation. Another is Mississippi Power Company's low total-electric rate. More and more Mississippi families are enjoying the benefits of total-electric living. Why not join them?

## Flea-Fly royalty chosen

Lauren Thorne, daughter of Mr. and Mrs. Walter Thorne, Jr., of Waveland, and Mrs. Kenneth, Mrs. of Mr. and Mrs. John C. Thompson of Carroll Avenue, will reign over the 4th annual Flea-Fly Classic Sunday afternoon.

Their selection was announced late Wednesday by Mrs. C.J. Piazza who handled arrangements for the Knight of Debris bids.

(Cont. from Page 1.)  
 Of Box 1169, Michoud, Ala. 36601, or by phoning her at 284-473-0311, extension 620. Questions about provisions in the specifications should be directed to W.K. Smith at the same address or phone number, by using extension 560.

Manuel Hutton told the supervisors he had been informed the Federal Bureau of Public Roads has cleared funds for the county to restore the highway under the federal aid secondary system. He said he obtained the information from the Gulfport office set up because of Hurricane Betsy by the Office of Emergency Planning and did not know other details.

The Corps of Engineers, he continued, is now finishing up its design and cost estimates for the seawall project. The design has posed particular problems of how to keep the material under the seawall from washing out.

In another Betsy-related item the supervisors approved payments totaling \$1,035 to 24 volunteers who, according to Chester Foyre, county civil defense director, assisted in patrolling the beach for several nights after the hurricane hit.

Foyre explained he would not have sought payment for the volunteers work if others had not been compensated. "I just ask if you can give them a little something as we might have to ask one of them for help again," he declared.

Daph Kollar, who had presided at board meetings during the hurricane's illness of several months, explained other payments had been made for beach protection from the seawall fund when the National Guard pulled out after the hurricane and the highway patrolmen were too weary to stay on the job. Kollar said it had been agreed to pay for night watch as beach properties would not be reoccupied.

H.G. Dean, Boat 1 member, observed a small amount was involved, and supported the plan. Others were paid at \$8 a night and Hubbard suggested calculating those volunteers at that sum for three nights. It was agreed by the supervisors that the public would only have about telling them to stay off the beach.

Payments then were awarded to Nash Blinn, Red Davis, Jr., Edwin Linder, Billy Linder, Nelson A. Linder, Jr., Herbert Tennyson, Leo Klein, Billy Scales, Leo Woods, Everett E. Nichols, Eldo Desprez, Oliver Schuqua, Chester Foyre, Billy Moore, Marvin Foyard, Percy Hach, Oran Seal, Chester Block, Eddie Malley, R.D. Linder, Leonard Fuller, T.A. Dean, Fred Curet and Leonard Linder.

A telegram came during the meeting from U.S. Senator James Eastland advising that tung nut growers were entitled to emergency conservation aid for severe damage from Betsy. He noted that the Secretary of Agriculture had allocated \$40,000 to Mississippi for this purpose on a cost sharing basis.

On Dean's motion, seconded by Kollar, the board requested Gov. Paul B. Johnson, Jr., and Kenneth Phillips, state civil defense chairman, to speed distribution of the \$40,000 earmarked for Hancock County for debris clearance and road repairs resulting from Betsy.

Colleen Murray, the court will parade at noon from St. Stanislaus College to the stadium where the monarchs will be crowned at 1 p.m. by Henry Lang, KC grand knight, and Mrs. Ivan Bradford, auxiliary president.

Lauren is a fifth grade pupil at St. Clare's School and

Wade is in the fourth grade at Our Lady of the Gulf School. Duke of Honor will be Michael Goodell while Cheryl Elmer will be maid of honor. Others in the court are Stephanie and Denise Foyre, Louise Linder, Pat Thompson, Donald Carr and Herman Johnson.

## United Fund helps retarded children

The first results of the successful campaign conducted by the Hancock County United Fund became apparent on Monday in a report from the Hancock County Board of Mental Retardation.

Utah, through lack of capital, to enroll into state or national association affiliation the association decided to take advantage of increased revenues and join both groups.

"It would have been impossible for our local association to carry on its teaching activities and at the same time pay part of the income from dues to state and national groups," said their spokesman on Thursday.

February has been designated as membership month. Pro-school children came under review as a result of a report issued by the Mississippi Mental Retardation Planning Council.

The program, the report suggests, should not only include traditional school activities but should provide child evaluation, to lead to effective educational planning; perceptual and behavioral training and parent counseling. Issued after a year of intensive study of the state's mentally retarded, the report states programs have special significance for the retarded and the culturally deprived.

A nice, chilly Santa breeze along on a shiny white convertible...  
The fact that Saturday's weather was...  
...than Christmas-ish in no way dimmed...  
...of swarms of youngsters lined up to greet St. Nick when...  
...in his annual appearance at Kermis.

It seems almost impossible to believe that the gayest holiday...  
...year is less than three weeks away. Usually, at this time...  
...we have, mentally at least, stolen hundreds of fluffy pine...  
...trees, visualizing them fully decorated and glittering with...  
...lights. Maybe it's because Betty housed up thought processes as...  
...as procedures of memo, as witness in our still building...  
...ideas, but we're just not in the mood to yet. Anyways...  
...for prepping Christmas until maybe about Easter?

### Christmas spirit

Enough faithfulness... time to get down to business and to...  
...a really happy ending into which to begin. Nollus Rhodes...  
...one who got the spirit of the season early, ending his Christ...  
...savings out of the bank in preparation for a shopping spree...  
...having been he realized something was missing—his \$700...  
...the money was in one hundred dollar bills and not in any...  
...findable holder, he despaired of any hope of recovering the...  
...cash. Fortunately, shortly after Rhodes left the bank, Robert...  
...Covington, the very popular young driver of the Coca Cola...  
...truck, happened to spot the cash laying on the steps of Mar...  
...Shack and immediately took it inside. Covington then pro...  
...ceeded to tell just about everyone he met of finding the bills...  
...When he reached city hall and with his story, Pat Foyard re...  
...membered hearing of Nollus' loss... and the money was promptly...  
...returned to the rightful, and most grateful owner.

Mr. Covington was presented with a \$100 bill as his reward...  
...The Pomeroy, Helen, Norvin, Bolla and Clem, are most...  
...proud over the news that Norvin, Jr., U.S. Navy has returned...  
...to California from Viet Nam and will be home on leave on Dec...  
...24.

### Via 20th century stork

From California also comes the news, via an airplane shaped...  
...bird—a gram, of the arrival of Barbara and Bill (Capt. USAF)...  
...Pomeroy's first child, a son christened William, III, born Nov...  
...28, in Riverside, Calif., weighing seven pounds, nine ounces.

Col. and Mrs. Marcel Gillis just couldn't give up their lovely...  
...Beach Blvd. home, so have arranged to hurricane proof it by...  
...having the first floor level raised ten feet. They are now living...  
...on Bollerette but plan to return home in about one month.

Ernie Flavin, principal of St. Stanislaus and Clement...  
...Tees, head director, were most grateful to Mr. Joe Schurt for...  
...allowing Stanislaus students to hold a light bulb sale in front...  
...of Jimmy Jungle on Saturday in order to raise funds for the ex...  
...panding band.

Gladys Noonan reports a wonderful Thanksgiving, due mostly...  
...to the fact that daughters Barbara, a nursing student at Hotel...  
...Dine, and Patsy, who holds down a job in the Crescent City...  
...were home for the holiday. They dined at the home of a third...  
...daughter, Marilyn, and husband, Kenny Foyard.

### Double whammy

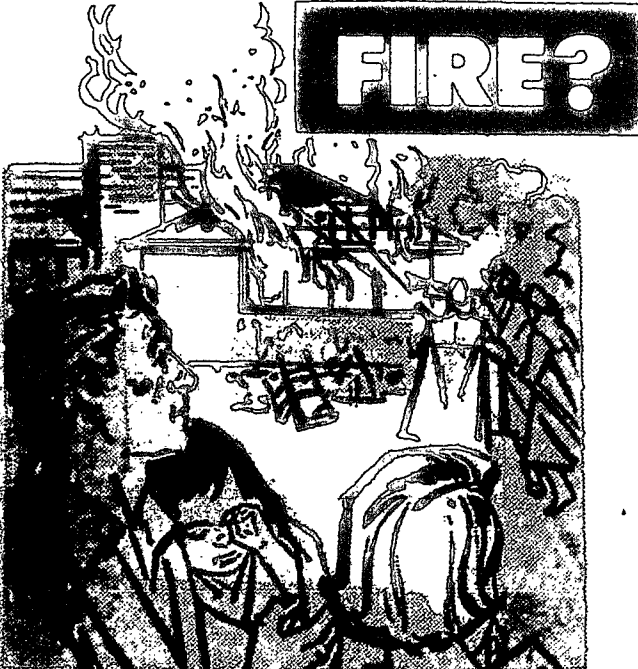

Apologies for being late with...  
...the item that Misses Diane and...  
...Diana and Master Craig Collins...  
...of Orlando, Fla. were recent...  
...weekend guests of their father...  
...Carl. The youthful trio were...  
...major participants in a practi...  
...cal job that had the office force...  
...of Hancock General Hospital...  
...desperately to the point of calling...  
...for official help. Perpetrator of...  
...the plot, who shall by virtue of...  
...our kind heart, go unnamed, got...  
...his accomplices a couple of...  
...days later when visiting a...  
...lady fair. The job was stained...  
...when a coquely blonde calmly...  
...walked into the lady's living...  
...room, greeted him warmly and...  
...preceeded to pour him a cup...  
...of coffee. Utterly hapless as...  
...he couldn't for the life of him...  
...remember having met the gal...  
...and the fact that she wouldn't...  
...remove her dark glasses didn't...  
...help, he mumbled his way...  
...through some polite conversa...  
...tion and just before lady fair...  
...tossed them both out of the door...  
...the visitor confessed that it was...  
...a rather practical joke, but...  
...further details would be one...  
...just too involved.

Fire gives no warning! And if fire should...  
...wipe out your home, could you rebuild...  
...and replace your possessions with the...  
...insurance you now carry? Properly val...

...We'd like to help you bring your fire...  
...insurance up to date.

## Ask E.F. Hutton about mutual funds?

Of course. We offer shares in leading Mutual Funds. And the best reason to ask us about them is that we can help you evaluate which type of Fund may seem best suited to your needs. Perhaps it should be a Balanced Fund. Like to start with the booklet?

Please send me a copy of "Balanced Mutual Funds," which explains the risks, costs and advantages.

OUR SINCERE THANKS - Mrs. Katherine Wilcox, former City-County Memorial Library Librarian, left, receives Mrs. Wilcox's appreciation at reception last Saturday in Webb Community Center. Mrs. James M. Robert, right, made presentation on behalf of library board and staff. Mrs. Frank Embrey, in background, agrees with sentiments expressed at time. Mrs. Wilcox joined library at time of founding by Miss Louise Crawford as volunteer worker, was made member of staff in 1957 and Librarian two years later. She retired earlier this year.

## Polly peers

summer resident Carmen Kirchmeyer, who with husband Dan and children, spent Thanksgiving with Gerri and Sam Blapchard, received the Christmas gift early so she was able to wear it on a trip to Chicago last week. The item... a full length black mink, no less! Welcome Waveland visitors are former residents Sarah and Joe Colby who now live in Alexandria, La. They are guests of Ora May and Connie Herlihy. A very happy birthday wish goes to Louise Lynch, who cut her cake Monday, Dec. 6. She's telling everyone she was 29, and far be it from us to question a lady's veracity! Funny, though, we were the same age a dozen years ago.

**Film flash**  
Art Day, free lance still photographer, and one of our favorites while here during filming of Paramount's 'Condemned', air mails news that company president, Howard Koch, Sr. (Hovie's papa, no less), in a conference at the studio on Friday made a drastic change in plans for New Orleans shooting. Instead of previously proposed date of Jan. 10, the company is now scheduled to arrive in the Crescent City tomorrow and cast and crew members alike will be keeping their fingers crossed hoping they'll get through in time to be home for Christmas.

## To serve second term Prexy re-elected

Mrs. A.M. Ortiz at Grand Hospital Board was re-elected Miss Hariel is to marry Mr. Necaise

At Grand Hospital Board meeting this week the appointment of Miss Paula Paga Hariel, daughter of Mr. and Mrs. Paul Hariel of Sellers, to Douglas James Necaise, son of Mrs. James A. Necaise of Cottonville and the late Mr. Necaise. The wedding is to take place at 6 p.m. Saturday at Grand Creek Baptist Church. Mr. and Mrs. Hariel will celebrate with a reception at their home afterwards.

The birth-club is a graduate of Hancock North Central school camp she was drum major for the band and member of the girls' varsity basketball team. She is attending Pearl River Junior College and is a member of the string of Pearls.

Mr. Necaise, class leader was the best 4 member of the board of supervisors, was educated at Hancock North Central and Pearl River Junior College. He is now employed at Mississippi Test Facility.

**SIGHTS AND SOUNDS A-ROUND THE WAY** - Clear, blue water rippling placidly against what remains of the scum; fishermen, spread all along these remnants, catching big trout like crazy two small squirrels chasing one another happily up one tree and down another and the sound of their tiny scurrying feet crunching across a mattress of leaves.

president of the Hancock General Hospital Women's Auxiliary during the group's final meeting this year last Thursday.

Others elected to the board to be installed in January and commence duties in February were Mrs. R. Weeks, first vice president; Mrs. Roy J. Davis, second vice president; Mrs. George Korman, recording secretary; Mrs. Paul Eastman, treasurer; Mrs. Henry Chapman, recording secretary.

Churchmen called for adult group-year term commencing Feb. 1, Mrs. Marion O'Stead, Joe Vigario and Leo W. Seal. Elected to fill vacancies on the present board, Mrs. Floyd Hapting, one year; Mrs. Herbert Wise, two years.

The Ladies Committee, comprised of Mrs. Ruby Chapman, Wallace Chavis, Leo W. Seal, Julia Telephane, Joe Vigario and A.M. Ortiz are to meet with hospital trustees on Dec. 8 to submit their annual report.

Included among activity items to be reported are, the establishment of a fund to assist young ladies who have been accepted for training in accredited schools of nursing; purchase of books for medical library at a cost of \$250 the partial payment for an EEG machine needed by the hospital, \$400; furnishing material and making approximately 1,200 hand towels and surgical wraps for use in the surgery and emergency room and the more than 10,000 hours of actual work.

in the hospital as performed by the Candy Stripper and Pink Ladies.

In other business auxiliary members heard a proposed amendment to their by-laws, to be voted upon in January, the amendment would permit the establishment of the office of Candy Stripper Advisor.

Christmas decorations for the hospital and Christmas Tray favors for patients are to be furnished again this year, Mrs. C.V. Smith at 667-6143 in general chairman of the committee making these items and Pink Ladies assisting with the project are to meet with her on Wednesday, Dec. 8.

On a more serious note, Mrs. Ortiz reminded all that dues were due on Feb. 1, and asked that all remit before that date. They may be mailed, handed to Mrs. Joe, L. V. guerrie, treasurer, 111 Nicholson Ave., Waveland.

More people buy Chevrolets? Yes!

Than any other make car? Yes!

Any other? Yes!

There must be reasons. Sure!

Name ten. OK:

1. All these comforts are available: steering wheels that tilt or telescope, AM/FM Multiplex Stereo radio, first ever offered in cars, and Strato-bucket seats (to give you just a sampling).
2. Comforton automatic heating and cooling you can order—just dial the temperature and turn it on; Comforton automatically keeps you comfortable no matter what the weather outside.
3. More engine choices—the widest horsepower range available: the 425-hp Turbo-Jet V8 in Chevrolet and Corvette to a 90-hp Four in Chevy II.
4. Dady by Fisher—Craftsmanship by the world's best known coachmakers with everything from luxurious interiors to the long luster Magic-Mirror acrylic lacquer finish.
5. Self-cleaning retractor panels flush out salt and other corrosives with rainwater, dry themselves with outside air—another way Chevrolet takes extra care so you needn't bother.
6. A hushed and gentle ride with body mounts designed to isolate vibration better and shock absorbers matched to body style—coupe, sedan, convertible, wagon.
7. America's only rear-engine car, Corvair, with more weight over the driving wheels where you need it and less on the steering wheels where you don't.
8. America's only true sports car, Corvette, with fully independent suspension, four-wheel disc brakes and engines you can order up to 427 cubic inches.
9. Higher resale value—Chevrolets traditionally are worth more at trade-in time because more people want Chevrolets... new or used.
10. All these safety features standard new: seat belts, front and rear, padded dash and sun visors; outside mirror (use it always before passing); center-locked inside mirror; speed electric windshield wipers for better visibility in a downpour; windshield washers; back-up lights.

# Stones not rolling gather no Tigers

The girls at Tigertown whooped it up Friday night after Bay High's quintet, improving with every game, smashed the Stone Tomcats, conquerors of Biloxi, 70-50 at Wiggins for their fifth consecutive win of the season.

The Tigertown delivered the knockout blow when they beat Stone's girls in an overtime thriller—60-59, little Ellen McDonald flipping in the winning free throw under tremendous pressure.

Friday night the Tigers overcame Havamba, a strong northeastern Mississippi squad in a game that could prove to be one of the toughest of the season, according to coach Wilbur Symour. The Northeasters are making a tour of the South playing St. Martin Thursday, Bay High Friday and Hancock North Central Saturday. Bay High's girls will open the evening's entertainment in Tiger gym Friday against St. John of Gulfport.

The Tigers teamwork against Stone was almost flawless as they displayed a strong defense while the rebounders and passers clicked throughout the game.

Bruce Cox was high Tiger with 20 followed by Dick Masten and Boogie Dean 13 each, while the Milks Strong and Nocaise got 12 and 8 respectively. Mike Clement made 18 scores for the Cats.

The Girls had a rougher time trailing in the first quarter 7-8 and in the second 10-14 but after coach Billy Sills' pep talk during intermission the lasses came back to take the third 17-7 and the fourth 14-11 to even up the score.

Pat Pernicaro and Marsha Compton tied for scoring honors with 12 each, Ellen McDonald 11 and Ann Perkins 5. The Tigertown hit 13 out of 21 free throws for a 63 per cent average.

The girls again squeaked to a 35-33 win over Harri-

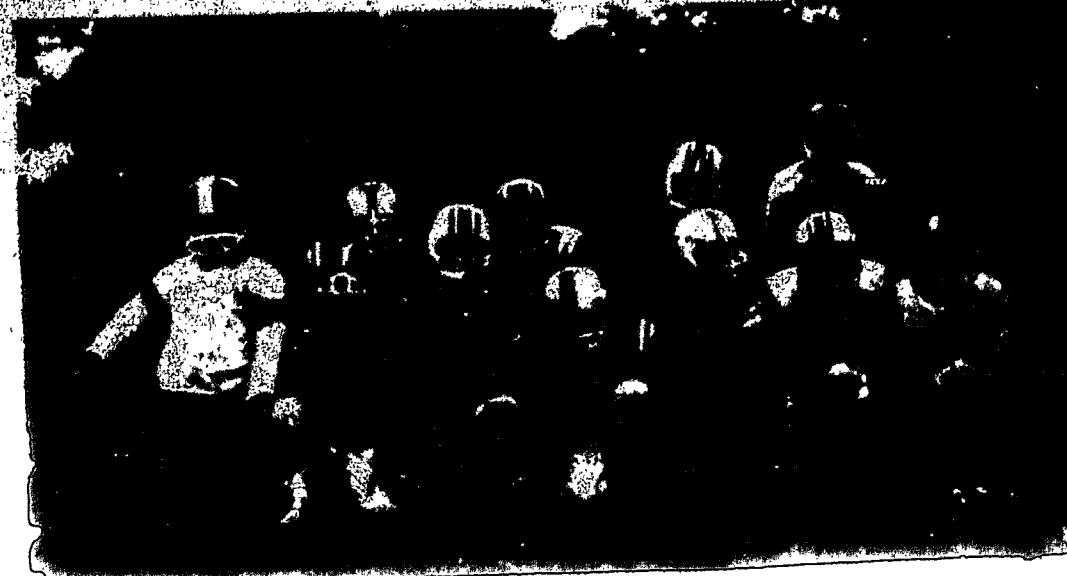

son Central Tuesday night. With less than a minute to play and the score 24-39, Ellen McDonald again sunk a free one to oak away the game. They came from behind to win, quarter scores being 7-9, 9-12, 0-0 and 11-4.

Pat Pernicaro scored 16, Marsha Compton 12, Ellen McDonald 4 and Ann Perkins 3. Per Harrison Central Nancy Vogt got 14.

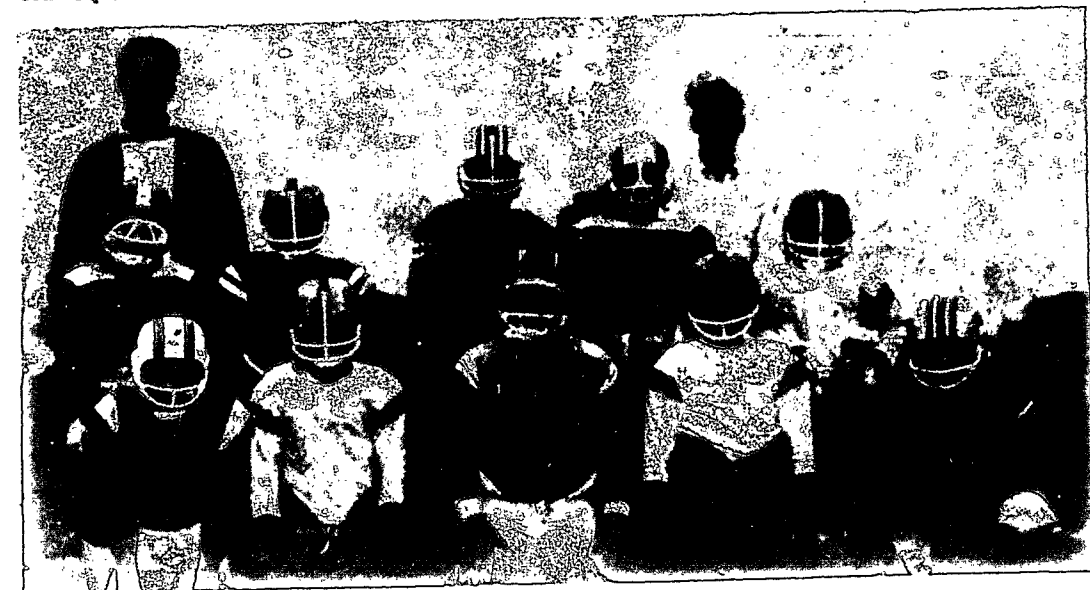

The Tiger chalked up their fourth straight Tuesday following Harrison Central 73-62 with quarter scores of 17-14, 16-12, 22-10 and 18-26.

Everybody got into the act as Mike Nocaise popped in 22, Boogie Dean 14, Bruce Cox 13, Dick Masten 12, Mike Strong 8 and Doug Foster of the second squad 4.
